---

Purchaser certifies dyed diesel fuel purchased under this certificate will only be used on the highway in the fuel tanks of the following Qualified Motor Vehicle:

\_\_\_\_\_ A school bus engaged in the transportation of students and school employees that is exempt from the federal excise tax on diesel fuel.

\_\_\_\_\_ A qualified local bus that is available to the general public, operates along a scheduled, regular route, has a seating capacity of at least twenty adults excluding the driver, is under contract with or receives more than a nominal subsidy from any state or local government to furnish that transportation and is exempt from the federal excise tax on diesel fuel.

Purchaser further certifies that a signed copy of this certificate has been mailed to:

Arizona Department of Transportation  
Office of Revenue Audit  
Motor Fuel Audit Unit  
1801 W. Jefferson, MD522M  
Phoenix, AZ 85007
